#### AWARD

(Passed on 8th day of February, 2013)

In exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) (for short the Act) the Government of Goa by order dated 13-09-07 bearing number 28/27/2007-LAB/848 has referred the following dispute for adjudication by this Tribunal.

"(1) Whether the action of the management of M/s. Penguin Alcohols Private Limited, Canacona, Goa, in closing their factory at with effect from 11-07-2006, is legal and justified?"

(2) If not, to what relief the Workmen are entitled?

2. On receipt of the reference, a case was registered under No. IT/53/07 and registered A.D. notices were issued to the parties. Upon receipt of the notice Party I filed the claim statement at Exb. 3, Party II filed the written statement at Exb. 8 and thereafter Party I filed the rejoinder at Exb. 9.

3. In the claim statement, it is in short the case of Party I that on 1-6-2006, Party II signed the settlement revising the wages of the unionized workers and the arrears arising out of this settlement were to be paid on or before 7-7-06. It is stated that as the workers requested for payment of arrears in accordance with clause 21 of the settlement dated 1-6-06, Party II illegally closed

down the factory w.e.f. 11-07-2006 only to victimize these workers. It is stated that on the day of closure there were 68 permanent workers covered under the wage settlement and besides this there were more than 60 workers working as casual workers and temporary workers. It is stated that for preceding 12 months there were all together more than 125 workers working in the said factory. It is stated that before closure, company did not take permission u/s 25N and 25o of The Act which were statutory requirements and therefore the closure of the establishment is illegal, unjustified and bad in law and the Workmen are entitled for full back wages and continuity of service. It is stated that the action of the management in closing down the establishment and retrenching these workers without payment of legal dues is illegal, unjustified and bad in law as the management had not obtained the prior permission of the appropriate Government. Party I has therefore prayed to declare that the closure of the factory is illegal, improper and unjustified; that Party II has not obtained prior permission u/s 25o of The Act and to direct the employer to reinstate all the Workmen with full back wages and continuity of service.

4. In the written statement Party II had denied the case setup by Party I and has stated that Party II at no point of time closed its establishment, however the Goa Pollution Control Board did not give clearance to operate the plant beyond 8-7-2006 and therefore this reference is bad in law and not maintainable. It is stated that for want of such clearance and the directives issued not to operate the plant, the company had no choice but to suspend its activities. Thus, the entire reference shows total non application of mind by the Government and therefore the Goa Pollution Control Board should be made the party in this reference, It is stated that the company had accumulated loss of more than 17 crores and had made reference to BFIR as a sick industrial unit and it became a non performing asset with the financial institutions. It is stated that the action of Party II is bonafide attempts made by the company to comply with the directions of Goa State Pollution Control Board and as there was no co-operation from any body including Government authorities in compliance with the directives of Goa State Pollution Control Board, inspite of best efforts, the company had no choice but to suspend the operation of the said establishment. Thus amongst above and other grounds party II has prayed to reject the reference.

5. In the rejoinder Party I has denied the contentions of Party II made in the written statement.

6. In view of the pleadings of parties, issues dated 30-9-08 at Exb. 12 were framed.

7. In the course of evidence Shri Puti Gaonkar, the General Secretary of Gomantak Mazdoor Sangh was examined as witness 1 for Party I and the case of Party I was closed. Party II examined Shri Albin P. Mathew as witness No. 1 and closed its case. The matter was accordingly fixed for final arguments however in the course of further proceedings Party I filed an application dated 19-10-11 at Exb. 31 for impleading M/s. Stressed Assets Stabilization Fund (for short SASF) as Party II (2) contending that SASF has issued a public notice on 20-6-11 for the sale of factory of Party II under the Securitization and Reconstruction of Financial Assets and Enforcement of Security Act 2002 (for short SARFAESI Act) and rules thereunder and subsequently the factory of the employer was sold by SASF to a third party. It was also stated in the application that SASF was therefore required to be impleaded as Party if the proceedings as the employer was yet to pay closure compensation and it would have to pay the same from the sale proceeds with SASF. Party II did not file reply to this application however the Party to be impleaded filed a reply by objecting to its impleadment. Vide order dated 17-7-2012 SASF was ordered to be Party II (2) by giving an opportunity to Party I to file the additional claim statement. In the additional claim statement Party I has reiterated the facts mentioned by them in the application for impleadment of party and has prayed to declare that Party II is liable to pay compensation and any relief given in terms of reference against Party II and to direct Party II (2) to pay the relief to the Workmen in the present reference when awarded.

8. In the written statement filed by Party II (2) they have denied the case set up by Party I in the additional claim statement.

9. On the basis of the averments in the additional claim statement and the written statement filed by Party II (2), additional issues came to be framed on 7-1-13 at Exb. 40 and the matter was fixed for evidence on additional issues.

10. In the course of further proceedings the representatives of Party I and Party II filed an application dated 31-1-2013 at Exb. 41 informing the Court that the parties to this reference have settled the subject matter of the dispute and to prepone the date of the hearing.
